25X1 16. [] LEGISLATION Spoke with Mike O'Neil, Counsel, House Permanent Select Committee on Intelligence, to confirm that the House intelligence charter bill, H.R. 11245, was in fact identical to the Senate bill, S. 2525. Mr. O'Neil confirmed that in fact this was the case.

I told Mr. O'Neil that we would be interested in meeting with him to discuss our concerns with S. 1437, the omnibus revision of the Federal criminal code, and in particular with the bill's failure to address the issue of the public authority defense. Mr. O'Neil said he would be available to talk with us, and, after speaking with Ron Gainer, at the Department of Justice, who is responsible for this legislation in that Department, it was agreed that we would meet with Mr. O'Neil on Friday, 7 April.

25X1 17. [] LEGISLATION Spoke with Ron Gainer, at the Department of Justice, who indicated that the House Judiciary Subcommittee on Criminal Justice was now considering S. 1437, the omnibus revision of the Federal criminal code, and was having problems scheduling witnesses and it probably would be several weeks before it would be appropriate for us to raise with the Subcommittee staffers and possibly the members our concerns with the legislation. Mr. Gainer agreed to meet with Mike O'Neil, Counsel, House Permanent Select Committee on Intelligence, and ourselves to discuss S. 1437 on 7 April.

25X1 18. [] LIAISON Had further discussions with Bill Cable, White House Congressional Liaison staff, concerning congressional investigations []

25X1 19. [] LIAISON Received a call from Dick Conlon, Staff Director, Democratic Study Group, who said he had spoken to Chairman Donald Fraser (D., Minn.) who would like to have a personal meeting with me.

25X1 20. [] LIAISON Met with Senator Adlai Stevenson (D., Ill.) to discuss the request from Senator Lowell Weicker (R., Conn.) for sanitization of certain material [] It appears that this is a matter that should be handled by the Senate Select Committee on Intelligence under their rules and procedures.

25X1 I also discussed a personnel matter and arrangements were made for [] DD/OS, to see Senator Stevenson personally on Thursday, 23 March, at 12:00 p.m.

25X1 26. [REDACTED] LIAISON Received a call from Pat Norton,
Senate Select Committee on Intelligence staff, who said the Subcommittee
on Energy and the Environment, House Committee on Interior and Insular
25X1 Affairs, had asked for access to transcripts of Agency testimony before
the JCAE on the [REDACTED] case. The Agency officials involved were former
DCI Richard Helms and former DDS&T, Carl Duckett. I agreed to look
into this for Norton.

25X1 27. [REDACTED] LIAISON Received a call from Spencer
Davis, Senate Select Committee on Intelligence staff, who asked me about
the 20 March Jack Anderson story citing CIA predictions of future U.S.
oil consumption. After checking with NFAC, I informed Davis that this
story was a mistake as the Agency had never projected consumption at the
level Anderson indicates. Davis also said he had press inquiries regarding
25X1 the Justice Department charges filed against ITT officials yesterday. The
charges mention a [REDACTED] as an Agency official who dealt
with the ITT men who were charged. I told Davis I would look into this
but I was skeptical on whether we would want to comment on whether the
man is a CIA employee.

25X1 28. [REDACTED] LIAISON Received a call from Hal Ford,
Senate Select Committee on Intelligence staff, who asked for an interview
tomorrow with [REDACTED] OIG, regarding Frank Snepp allegations.
25X1 [REDACTED] is out of the country but I did set up an interview for Ford with
25X1 [REDACTED] D/IG, on the same subject. Ford gave me the
questions he wanted to pose to [REDACTED] which I passed to him. Ford
is also scheduled to meet with NFAC officers, [REDACTED]
on the Snepp matter.

25X1 47. [] TRAVEL Saw Mike O'Neil, House
✓ Permanent Select Committee on Intelligence staff, and received the
itinerary for the Chairman Morgan F. Murphy (D., Ill.), Subcommittee
on Legislation, trip to London, Berlin and Geneva. I also received
considerable detail on the things that Chairman Murphy will be most
25X1 interested in during his trip and have forwarded a memorandum on
the subject to [] SA/DO/O.

25X1 48. [] TRAVEL Saw Loch Johnson, House
✓ Permanent Select Committee on Intelligence staff, and received the
itinerary for the Chairman Les Aspin (D., Wis.), Subcommittee on
Oversight, trip to Copenhagen, Rome, Belgrade and London. I also
received some detail on the things that Chairman Aspin will be most
25X1 interested in during his trip and have forwarded a memorandum on the
subject to [] SA/DO/O.

25X1 49. [] LIAISON Called Thomas K.
✓ Latimer, Staff Director, House Permanent Select Committee on
Intelligence, to inform him that [] Acting Legislative
Counsel, had set up a briefing on SALT for Representative Norman Y.
Mineta (D., Calif.) and that this briefing is for the purpose of bringing
Representative Mineta up to date on that which he missed during the
briefing of the Chairman Bill D. Burlison (D., Mo.), Subcommittee on
Program and Budget Authorization. Mr. Latimer was appreciative of
the notice.

25X1 With regard to the Seymour Hersh New York Times article of
17 March, I read the statement which had been prepared (but not released)
on the subject: "All files involving CIA scrutiny of dissident American
groups, including the Black Panther Party, were identified and made
available for inspection and review by the Church Committee." This
satisfied Mr. Latimer's needs.

50. [] LIAISON Called Diane LaVoy, House Permanent Select Committee on Intelligence staff, to tell her that the two documents she had requested on incidents relating to North Korea were available for her to read here. She said she would greatly prefer to read them at the Committee and asked if the proper method of gaining this release (at least for loan) of the documents would be via a letter. I answered affirmatively, but suggested that she defer sending a letter pending my talking to [], IC Staff. After talking to [], I told her that I would be sending her the documents today, but requested that she return them as expeditiously as possible. She said that she would.

Diane also asked whether it would be possible for her to meet with some of the NIOs, particularly [] NFAC/OER, Howard Stoertz, NFAC/NIO, and [] NFAC/NIO. After checking with [] NFAC/CSS, I told her that [] would be able to see her at 10:00 on 22 March and that Mr. Stoertz would be able to see her at 11:00 on 22 March 1978.

Diane and I discussed the problems the Committee has been having with the Pike Committee papers and she indicated a desire to have them all re-classified in order to enable the Committee to find documents. It seems that the Pike Committee's people were hurried in their last days and only rarely has the House Permanent Select Committee on Intelligence been able to locate a document in the box it was registered to. After talking to [] in OLC Registry, I suggested that we could accommodate their need by making a few boxes available to them at a time and working through the project. She will be back to me on this once she gets the approval of Thomas K. Latimer, Staff Director.
